

A line drawing of a rectangular box, possibly a case for a device. It features a strap across the top and another strap around the middle, both secured with buckles. The box has a slightly rounded front and a handle on the left side.

Technical drawing of a mechanical part, likely a cross-section of a component. The drawing shows a central rectangular section with a horizontal slot. The overall width is dimensioned as 29.1. The width of the side sections is dimensioned as 2.8. The drawing includes various lines indicating the geometry and dimensions of the part.
